

## ADDENDUM

**SEPA File No. 10-050301**

**Description of the original proposal:** Refer to FPA 2413911. The proposal is for 800 feet of road construction on an old existing road grade; and multiple culvert installations over Np and Ns streams on an existing road. The proposal is to improve the condition of the road by constructing a full-bench road prism which will reduce the likelihood of road failure. The culvert installations are all upgrades and will improve the stream hydrology.

**Description of the addendum:** There was an error in the legal on the SEPA document, question number 12. The proposal is in Township 21, not 20.

**Description of existing environmental document:** Determination of Non-significance
